More about Zip Codes======

Someone in Bethlehem Pa.,sent a Christmas package to Mr and Mrs Ryland in Stockton, Cal. It bore the proper Zip Number, 95204. Someone mistook it for APO 96204, and it wound up in Dalet, Vietnam. A sharp-eyed postman in Vietnam found it and returned it - Airmail-to Stockton. It arrived on Jan 3rd. Talk about going around Robin Hood's barn!

From the Editor's Desk.....

Its all a Matter of Mind....

In ancient times three men were seen at work. They were stonemasons. A visiting king happened by and stopped to speak to them. "Sir, what are you doing?" he asked the first one. "I am laying bricks". To the second man he said; "What are you doing?" I am building a wall." Then to the third man he asked: "What are you doing?" "I am building a Cathedral."

In our daily tasks are we laying bricks, or building Cathedrals? Do you say " Oh, I must answer her letter, but it is so difficult to write", or do you say — I'M going to get my writing materials and have a good visit with my friend. Do you say - I wish I didn't have to do these dishes, or — Come on, let's do the dishes, and we can have a good visit while we work. If you can get the man of the house, or a teen-age son to handle the dish towel, watch how he does it. He wipes the top of the plate, and turns it over and wipes the bottom. This has been so since Biblical days, when the Lord in 600 B. C. said: I will wipe Jerusalem as a man wipeth a dish - wiping it and turning it upside down. This is Kings 2nd Book 21:13.

When someone says; Who will be Chairman of this Committee - do you say; I will and so and so will work with me. We love to work together. Now you are building a cathedral. Your enthusiasm will enthuse others, and it will be a success. They say you should never go back to a place unless you have planted a tree or set a hen. Better yet - build your wall or your cathedral - be it great or small, and you will long be remembered for your good work, and for your unfailing good nature.

THE WAYSIDE PULPIT.....

29 January is YOUTH SUNDAY - the occasion when the Christian Church formally recognizes its responsibility to, and interest in, Youth. Of course we would like to believe that our churches are responsible all of the time. Too often this is wishful thinking.

We can change that! Wishful thinking can become reality. Whether we are younger or older, how we live is observed. We can set the example our youth should have. Our example may well be the finest legacy we have to offer!

This coming Sunday would be a good time to continue(or to renew, or begin) worshipping together as a family.Of course, as Pastor of this (Community) Church, I am inviting you to attend services here at 11:00 A. M.

Many of you, however, are adherents of other branches of the Christian Church. God bless you! And He will - if you do worship Him. He invites you to do so. See St John's Gospel 4:23.

We will be observing Youth Sunday by having young people in complete charge of our service on 29 January. Come! Give them the support of your interested presence. Worship the Lord together with them.

This is an open invitation to you.

Curious Facts in the Bible:

It is better to dwell in the corner of the housetop, than with a brawling woman in a wide house. Proverbs 25:24

In the same day shall the Lord shave with a razor that is hired, namely by them beyond the river, by the King of Assyria, the head and the hair of the feet and it shall also consume the beard. Isaiah 7:20

And thou, son of man, take thee a sharp knife, take thee a barber's razor, and cause it to pass upon thine head and upon thine beard: then take thee balances to weigh and divide the hair. Ezekial 5:1

For only Og, King of Bashan remained of the giants; behold his bedstead was of iron. And the man of God said, Where fell it? and he showed him the place. And he cut down a stick, and cast it thither; and the iron did swim.
2nd Kings 6:6

Hast thou with him spread out the sky, which is strong, and as a molten Looking Glass. Job 37:18

Therefor whatsoever ye have spoken in the darkness shall be heard in the light; and that which ye have spoken in the ear in closets shall be proclaimed upon the housetops.

LETTERS TO THE EDITOR.

Dear Editor.....

I get such pangs of lonesomeness when I read of things like the "March of Dimes" in THE VILLAGER. How I enjoyed my day at Town Hall visiting with everyone.....Bob has orders to Command and General Staff School at Fort Leavenworth, Kansas. We will spend the summer in Idaho, then to Kansas in August. Bob will not return to Viotnam until June 1968.....

The memories of Earl sharpening my lawn mower, and boarding up the broken window.- of Pete bringing us huge sacks of scrap wood for the fireplace - of Mrs Gates coming with a wonderful Brazil nut cake on Christmas Eve -- of Myron dumping a huge load of cut logs, or repairing the plumbing - or Nancy calling to say - Come down for dinner - and my wonderful Sunday School class - how I loved each one of them! No one could understand why a S.S. teacher's meeting could be such fun — unless they know Nick and Margie.....We feel blessed and privileged to have found DuPont and its people.....

Excerpts from a wonderful letter from
DONNA MOLINELLI.

Dear Editor.....

This letter comes, tardily, to state how very proud we all are! Yes, we residents of DuPont are proud of the paper which just observed its first anniversary. We are proud of the people, in whose fertile minds the dream so conceived, gave birth to so grand a reality.

And we are grateful! In so affluent a society as this in which we live there are few material gifts that can really add joy to one's life. We all have so much! But THE VILLAGER is not material — with due respect to the ink and paper! It is vibrant, warm human personality. It is interest and concern. In short, it represents some of the best of our lives: of the Editor's and her staff, and of those for whom and about whom they all write.

Thanks for adding that intangible but superlative of gifts: THE VILLAGER!

Most Sincerely,

Your Fan Male.

Editor: — Whoo! Some one likes us.
We thank you; May, Pola, Marie.
